From the Vicar & Wardens

We are looking for referrals and advice on two key parts of our parish life.

We have need of:

1. A person to help us with our social media presence: website management and information collection; harmonizing information on Parish and Food Bank websites; managing information on Facebook pages. Ideally, we are looking for a volunteer who is knowledgeable and interested. Some familiarity with the church and the food bank would be assets. An honorarium may be available.
2. A part-time bookkeeper to work approximately 20 hours a week, under the supervision of our Treasurer, keeping account information for both the Parish and the Food Bank. This is a paid position.

We would be delighted if you know of anyone who might be qualified and is interested in either of the two positions to contact the Vicar or the Church Office.

Thanks for your help, *Peter+, Susan & Elliott*
